

Playing Safe!

Creating safe activity environments for all participants

Days Inn - Oromocto, NB

April 25 & 26, 2008

The Alliance for Safe Sport and Recreation is proud to host a workshop for individuals involved with youth in sport, recreation, and community. Take advantage of this great opportunity.

Some of the topics:

- Risk Management: Is my organization at risk? Discussion on policies
- Screening of Volunteers: Learn what you need to do to implement a screening process
- Bullying: How can I stop it? Bullying between athletes, coaches, and cyber bullying & internet safety
- Overcoming Barriers to Programming: Creating programs that cater to people with disabilities, aboriginal people, varying cultural backgrounds, etc.
- Creating Partnerships: Building strong programs through community partnerships
- Program Solution: What NB programs are available to help? How proactive solutions can keep kids safe

Early registration, April 18 - \$30 • Late registration, April 19 - \$40

No cost for Homophobia in Sport workshop
